

All Seasons, Bendigo 29th January 2011

MAJOR SPONSORS

Welcome from the President:

Thank you for your attendance at our inaugural Hall of Fame dinner.

BUCC has a long and proud history, and tonight is an opportunity for us to come together as a club and recognise some of our past greats by honouring them with Hall of Fame selection.

A Hall of Fame sub-committee was formed in 2010 after the BUCC 1st XI records were compiled dating back to the early 1900's. The club believed that the establishment of a Hall of Fame would provide due recognition to those individuals who have given BUCC outstanding service over a number of years across many eras.

In developing the Hall of Fame our sub-committee considered a number of options for recognition, settling on the following criteria for selection:

Ability

Longevity

Impact

The Hall of Fame is open to any 1st XI player or outstanding club administrator who fits the above criteria.

We intend for this to be a regular event where we honour our inductees and past champions, as well as coming together as a club and acknowledging the contributions made by all over time.

This night would not be possible without the efforts of the entire committee, but in particular Nick Crawford who was responsible for driving this entire event. Robyn Powell's efforts in co-ordinating the auction and tickets, along with her vast knowledge of our history have also been invaluable.

We welcome you all back to the club, enjoy the evening, and thank you for your support.

BRIEF HISTORY OF BENDIGO UNITED CRICKET CLUB

The Bendigo United Cricket Club is considered the second oldest cricket club in Victoria, after the Melbourne Cricket Club. Originating on the Gold Fields of Central Victoria in 1853 and initially known as the 'District Club', it was not until 1861 when the Club was in difficulties that a meeting was held at the Criterion Hotel, a chairman, Mr Pitman, elected, and a committee formed to collect subscriptions in furtherance of the Bendigo United Cricket Club. An application to the government for a grant of 6 acres of land at 'Back Creek' was also made and subsequently granted. This reserve is still the home of Bendigo United and is now known as 'Harry Trott Oval'.

According to the minutes of the Club, in 1861 a two rail fence was erected around the ground, tree stumps extracted, the filling up of holes and a small watercourse, the leveling of the area and the sowing of grass seed and turfing of a thirty yard square in the centre of the ground were completed. In 1864 reference is made to 'a very handsome pavilion' being erected at a cost of 142 pounds 9 shillings.

In 1861/62 a BUCC twenty-two played an English Eleven at 'Back Creek' (English eleven 246, BUCC twenty-two 81 and 102), and a BUCC eighteen played a Victorian eleven (Victorian eleven 88 and 73, BUCC eighteen 88 and 51). These were the first of many matches against English and Australian Elevens, Victorian and other State teams.

One of the founders of the Club was The Hon. Angus Mackay, one of Bendigo's best known citizens, a distinguished Victorian statesman and proprietor of the Bendigo Advertiser. His son George Mackay had a long and illustrious career with BUCC. He made a total of 13,216 runs, including 10 centuries and took 1,062 wickets, which included a career high score of 189 runs in the Clubs record 6/605 in 1892 against Harcourt at Back Creek. His brother Angus also made his mark on BUCC scoring 128 in the same match. George Mackay played 6 matches for Victoria as a batsman.

Along with George Mackay, Mr. G. Freeman was also a prolific run scorer for BUCC making 10,066 runs, which included 21 centuries.

Mr William Bruce gave exception and unequalled service to the Club. He is recorded as a player in 1861 representing the Club as a wicketkeeper/batsman against both the English Eleven and Victorian Eleven. His playing record continued until 1872 when he was elected President of the Club. He served at least 38 years as president (records between 1912 and late 1920's were destroyed in a fire) and gave Bendigo United in excess of 50 years service. He died in Bendigo in 1916 aged 82 years.

Players to represent Australia and England internationally:

HARRY BOYLE (all rounder - RH bat, RA medium round arm). Harry had a long career with BUCC commencing in 1865 at about 17 years of age. He was a member of the historic Australian team that defeated England at The Oval' in 1882 dismissing W. G. Grace in the first innings, (2/24)and bowling the last English batsman (Peate) (3/19) in the second innings, the wicket that helped in the creation of 'The Ashes'. He represented Australia on 12 occasions, touring England 6 times, taking a total of 32 wickets at an average of 20.00. He lived at Woodvale. He died on the 21st November, 1907 and is buried at the White Hills Cemetery. A headstone erected by the Citizens of Bendigo marks his burial place and is well worth a visit by cricket lovers.

WILLIAM MIDWINTER (all rounder): Billy Midwinter made his senior debut at BUCC in 1864 at the age of 13. He represented Australia against England in 8 tests between 1876 and 1887. He also represented England in 4 tests against Australia in 1881/82. He was a right hand bat and right arm medium bowler (round arm).

JOHN EDWARDS (R H bat, leg break bowler): Jack Edwards toured England with the Australian Team in 1888, playing three tests, the first at Lords. He played with BUCC during the 1880's and 90's making 4407 runs at an average of 37.6, which included 8 centuries.

He was also captain of Australia V England in Australia in 1897/98. On four tours to England from 1888 to 1896 he exceeded 1,000 runs on each visit and totalled 145 wickets. Six of his 10 centuries were made there. He joined Bendigo United in 1902 after a long period of illness and was soon scoring well. During 1902 and 1907 he made 4 centuries at BUCC and had a club career average of 44.8.

LISLE NAGEL (all rounder -R H bat, right arm fast medium): Lisle Nagel played for Victoria from 1927/28 until 1938/39. Playing for Victoria against England at the MCG he took 8 for 32 and gained a place in the first body-line test of 1932/33 against England in Sydney. This was his only test. His twin brother, Vernon Nagel, also played for BUCC and played 4 matches for Victoria.

CRAIG WHITE (all rounder): RH bat, RA medium fast & off break bowler. Craig began playing with BUCC'S in 1980 with the Primary B Team and progressed through the juniors to 1st X1. He represented Victorian at U 17 and U 19 level, and won selection in the Australian U21 team. He then moved to Hawthorn-East Melbourne in the VCA and Victorian Sheffield Shield team before leaving to play for Yorkshire, his birthplace. Craig made his debut with the English Test Team V New Zealand and South Africa in 1994. His performances won him a place in the English Touring Team to play Australian during 1994/95. He made his first Test century against India in 2001. Craig played 30 Tests and 51 one day internationals for England. At Test level he scored one century and five half centuries, and three times he took 5 wickets in an innings. In 276 first class matches he made 21 centuries scoring over 12000 runs, and he took 395 wickets. He retired from first class cricket in 2007.

People of significance:

NORM JACKSON

Many people have had a significant impact on the Bendigo United Cricket Club, in recent years, none more so than Norm Jackson 'The General'. Norm was know as 'The General' because he successfully steered and direct the course of both the South Bendigo Football Club and the Bendigo United Cricket Club over a long period from the early 1960's until his untimely death in 1973. In the 1960's BUCC had reached a low ebb, both on and off the field and Norm Jackson took over as Secretary/Treasurer. He worked tirelessly and gathered around him men of ability both as administrators and players. All his hard work bore fruit when the club First X1 made the grand final in 1970-71 season, but was beaten by Bendigo. Although Norm's disappointment was total, he had elevated the Club from a low ebb and placed it on a very firm foundation. The Club has named its Best Clubman Trophy in honour of Norm Jackson, the man who gave everything to BUCC, and who ensured the continuation of its very long and proud history.

LEO SHANAHAN

Leo Shanahan also made his mark on Bendigo United with a host of achievements, all through hard work and an aim to see the Club prosper. His contribution to the Club include, President for 2 years, committee member for over 20 years during the late 1960's 70's and early 1980's. BDCA & BJCA delegate for 20 years. Leo was instrumental in forming the BUCC Juniors in 1974/75 and for over 10 years his contribution to BUCC Juniors was profound. He was responsible for the coaching and organisation of some 50 BUCC Junior Teams, with many of his young charges going on to play senior cricket for Bendigo United. BUCC was the first BDCA Club to join the BJCA. After his retirement from the committee he became the authorised Bingo Officer for BUCC and worked tirelessly on Monday

evenings at the Community Bingo Centre on behalf of the Club. The revenue gained from this project was the main income of the Club for many years and was the source of the net training facilities and the Clubroom at Harry Trott Oval. The Clubroom at Harry Trott Oval was named after Leo Shanahan as a tribute to a man whose outstanding contribution to BUCC is worthy of the highest recognition.

DAVID PINNIGER

In recent years the Pinniger name has been a constant, steering BUCC into the strong club we have today. David first played in the late 1960's to the mid 1970's, but it has been his contribution as an administrator where he has had his greatest influence. Davis assumed the job of secretary in the mid 1980's before taking over as President in two distinct eras. His first stint saw him take the reigns of a club that had struggled for success on and off the field for some time. He started by building the juniors up, recruited Jock Turner to the club, working to build the financial state, and eventually oversaw the building of the Leo Shanahan Rooms. While on field success was not immediate, the culture had changed and many of our juniors came through to play senior cricket at BUCC.

Ultimately, 9 of our 11 premiership players from the drought breaking premiership in 1999/2000 coming from our junior ranks.

David was also a captain of the 2nd XI, along

Dave has only just finished his second stint as President at the conclusion of last season. He oversaw one of the club's most successful eras winning 3 1st XI Premierships in his 4 year term.

JOHN TURNER

Jock Turner had a very distinguished career with Sandhurst and North Bendigo before joining Bendigo United in 1987 as captain-coach along with a number of administrators to resurrect the Club which had not won a premiership since 1937. As coach, Jock was instrumental in ensuring all players enjoyed their cricket and went on to play at as high a standard as their potential allowed. For Jock to win the Club's most prestigious award, the 'Norm Jackson Memorial Trophy' on 9 consecutive occasions, is overwhelming evidence of the hard work, dedication and commitment of one person and an indication of the esteem in which he is held. Although, BUCC, did not win the 1st X1 premiership in the decade that Jock was coach, it became a far more consistently competitive Club, with an outstandingly strong junior section. Nine members of the victorious 1st X1 1999/2000 premiership team where all graduates from the BUCC Juniors from this era. The John Turner Medal was struck in his honor in 2006, and is awarded at the end of the season by way of votes compiled after each game in the 1st, 2nd and 3rd XI's.

Significance of Harry Trott

Harry Trott was a man of vision, and in 1903 he called a meeting of cricket-minded people with a view to forming a Bendigo Cricket Association with defined Boundaries. Trott proposed that teams should be drawn from within an area of 15 miles radius of the Bendigo fountain in Charing Cross. The Bendigo District Cricket Association was subsequently formed at a public meeting later in 1903. Trott was a member of the General Committee and an association selector. At the BDCA's second annual meeting on Tuesday, October 11, 1904, Mr Harry Trott was elected President. The meeting held at the City Club Hotel, sought to strengthen the struggling association. Mr Trott was also appointed sole selector.

Following his elevation to the position of BDCA president, Harry Trott proposed that all Bendigo cricketers should belong to just one club – Bendigo United. Trott envisaged Bendigo United becoming a multi-purpose sporting club, initially providing playing facilities for cricket, tennis, bowls and football. As membership grew, he believed swimming baths could also be erected. Trott calculated that five hundred members each paying an annual subscription of one guinea would pay for the proposed sporting facilities. The subscriptions were also to cover the cost of extending the Back Creek ground by 50 yards allowing two games to be played simultaneously on first-class turf wickets maintained by a first-class curator.

The cricket competition proposed under Trott's radical scheme revolved around Bendigo being divided into four districts – North, South, East and West – with players tied to the district in which they lived. District teams were to be organised into graded competitions – first second and third grades, going down as far as under 16 schoolboys. Trott suggested the first grade play on turf and the lower grades on matting until more turf wickets could be established.

Although Trott's scheme was never adopted, his foresight is beyond question

He remained playing for Bendigo United until 1909, during that time he amassed 1975 runs for the club at an average of 44.8 and took 109 wickets at an average of 14.5. In 1904 while still playing for BUCC's he captained Victoria against an English X1. In his last big match for his State against another English side in 1908 at the age of 41 he took 5 for 116.

As noted earlier, around 1861 the club made an application to the government of the day for a grant of 6 acres of land at 'Back Creek', which was subsequently granted. The reserve is still the home of BUCC, and in honor of Harry Trott the ground was renamed the 'Harry Trott Oval' in 1991.

ON FIELD SUCCESS

BUCC was a force in Bendigo District Cricket prior to the 2nd world war, winning many 1st X1 premierships. Unfortunately, the 62 years between 1937/38 and 1999/2000 did not herald a premiership for BUCC, although finals were played during the 1960's, 70's and 90's.
