Welcome from the President

Welcome to the Bendigo United Cricket Club 160th Reunion dinner at the All Seasons, Bendigo.

The Bendigo United Cricket Club (BUCCs) is the second oldest cricket club in Victoria, after the Melbourne Cricket Club, and tonight is an opportunity to recognise our long and proud history. Whether you are a current player, administrator, past player, or supporter the night will offer something for you to enjoy. It is also a time to reflect on those who cannot be here, especially those that have made significant contributions to the Club over its history.

The recent addition of the [Top End Training Facility](#) at the Harry Trott Oval, the best of its kind in regional Victoria, has been a major milestone for the Club. The facility has transformed the southern end of the reserve, and gives the Club a training base that it can utilise all year round. The support of the [Club sponsors](#) was instrumental in developing the facility, as well as the partnership we had with the [City of Greater Bendigo](#).

The Club is grateful for the support of its major partners, and without them we would not be where we are today. Special recognition in this regard must go to the [Brougham Arms Hotel Motel](#) through the Macumber family, and [MGR Accountants](#). In addition, the support of [Reuben Beazley Builder](#), [The Bendigo Club and Top End Training Company](#) has been significant.

In 2011 BUCCs established its [Hall of Fame](#). Inaugural inductees were Angus Mackay, William Bruce, Ron Hunt, Neil Rasmussen, and Ken Smalley. Tonight, the Club inducts past greats Leon Grose and Ross Freeman. We especially welcome tonight members of their family along and look forward to celebrating and recognising their careers with BUCCs.

BUCCs is very proud of its history, and the Club is working hard to ensure its remains in touch with its past players and officials. As part of the Reunion celebrations, we have put together a compilation of old news articles and photos that will be shown throughout the weekend. These will eventually be available through our website, www.bendigounited.com. For those who have not visited the website, we encourage you to do so, as it contains much of the Club history, player records and honour boards. In addition, the site also allows you to keep up to date with the latest Club news and events.

During the past two seasons the Club has been fortunate enough to successfully host the BDCA 1st XI Grand Final. Once again I would like to acknowledge the support the Club has received from its many volunteers who have assisted during both of these weekends. It is greatly appreciated.

The work of our curator and Life Member, Peter Behrens, has been of particular significance. The Club believes it now has the best wicket in the region, and for that we must acknowledge Peter's dedication and commitment. During last year's Grand Final close to 50mm of rain fell within 36 hours of play starting, with the wicket unaffected thanks to Peter's effort.

Finally, thank you to the current players, supporters, and administrators for their support of the Reunion celebrations. This would not proceed if it weren't for them. The Club also recognises the support of the [Bendigo Advertiser](#) in assisting with us to promote the Reunion.

I would especially like to recognise the members of the Reunion sub-committee who worked tirelessly to make this celebration a success.

Welcome, and please enjoy what promises to be a terrific evening.

BRIEF HISTORY OF BENDIGO UNITED CRICKET CLUB

The Bendigo United Cricket Club is considered the second oldest cricket club in Victoria, after the Melbourne Cricket Club. Originating on the Gold Fields of Central Victoria in 1853 and initially known as the 'District Club', it was not until 1861 when the Club was in difficulties that a meeting was held at the Criterion Hotel, a chairman, Mr Pitman, elected, and a committee formed to collect subscriptions in furtherance of the Bendigo United Cricket Club. An application to the government for a grant of 6 acres of land at 'Back Creek' was also made and subsequently granted. This reserve is still the home of Bendigo United and is now known as 'Harry Trott Oval'.

According to the minutes of the Club, in 1861 a two rail fence was erected around the ground, tree stumps extracted, the filling up of holes and a small watercourse, the leveling of the area and the sowing of grass seed and turfing of a thirty yard square in the centre of the ground were completed. In 1864 reference is made to 'a very handsome pavilion' being erected at a cost of 142 pounds 9 shillings.

In 1861/62 a BUCC twenty-two played an English Eleven at 'Back Creek' (English eleven 246, BUCC twenty-two 81 and 102), and a BUCC eighteen played a Victorian eleven (Victorian eleven 88 and 73, BUCC eighteen 88 and 51). These were the first of many matches against English and Australian Elevens, Victorian and other State teams.

One of the founders of the Club was The Hon. Angus Mackay, one of Bendigo's best known citizens, a distinguished Victorian statesman and proprietor of the Bendigo Advertiser. His son George Mackay had a long and illustrious career with BUCC. He made a total of 13,216 runs, including 10 centuries and took 1,062 wickets, which included a career high score of 189 runs in the Clubs record 6/605 in 1892 against Harcourt at Back Creek. His brother Angus also made his mark on BUCC scoring 128 in the same match. George Mackay played 6 matches for Victoria as a batsman. Along with George Mackay, Mr. G. Freeman was also a prolific run scorer for BUCC making 10,066 runs, which included 21 centuries.

Mr William Bruce gave exception and unequalled service to the Club. He is recorded as a player in 1861 representing the Club as a wicketkeeper/batsman against both the English Eleven and Victorian Eleven. His playing record continued until 1872 when he was elected President of the Club. He served at least 38 years as president (records between 1912 and late 1920's were destroyed in a fire) and gave Bendigo United in excess of 50 years service. He died in Bendigo in 1916 aged 82 years.

Players to represent Australia and England internationally:

HARRY BOYLE (all rounder - RH bat, RA medium round arm):

Harry had a long career with BUCC commencing in 1865 at about 17 years of age. He was a member of the historic Australian team that defeated England at 'The Oval' in 1882 dismissing W. G. Grace in the first innings, (2/24) and bowling the last English batsman (Peate) (3/19) in the second innings, the wicket that helped in the creation of 'The Ashes'. He represented Australia on 12 occasions, touring England 6 times, taking a total of 32 wickets at an average of 20.00. He lived at Woodvale. He died on the 21st November, 1907 and is buried at the White Hills Cemetery. A headstone erected by the Citizens of Bendigo marks his burial place and is well worth a visit by cricket lovers.

WILLIAM MIDWINTER (all rounder):

Billy Midwinter made his senior debut at BUCC in 1864 at the age of 13. He represented Australia against England in 8 tests between 1876 and 1887. He also represented England in 4 tests against Australia in 1881/82. He was a right hand bat and right arm medium bowler (round arm).

JOHN EDWARDS (R H bat, leg break bowler):

Jack Edwards toured England with the Australian Team in 1888, playing three tests, the first at Lords. He played with BUCC during the 1880's and 90's making 4407 runs at an average of 37.6, which included 8 centuries.

JOHN HARRY (wicketkeeper and R H batsman):

John Harry played one test for Australia at Adelaide in 1894/95 as a wicketkeeper batsman. He played for BUCC during the late 1890's, early 1900's and made 4308 runs at an average of 28.1 including 2 centuries. He was also a right arm off break bowler.

HARRY TROTT (all rounder):

Harry Trott captained Australia in England in 1896. He made 143 in the first test at Lords. He took 6 wickets and scored 156 at the Oval. He was also captain of Australia V England in Australia in 1897/98. On four tours to England from 1888 to 1896 he exceeded 1,000 runs on each visit and totaled 145 wickets. Six of his 10 centuries were made there. He joined Bendigo United in 1902 after a long period of illness and was soon scoring well. During 1902 and 1907 he made 4 centuries at BUCC and had a club career average of 44.8.

LISLE NAGEL (all rounder R H bat, right arm fast medium):

Lisle Nagel played for Victoria from 1927/28 until 1938/39. Playing for Victoria against England at the MCG he took 8 for 32 and gained a place in the first body-line test of 1932/33 against England in Sydney. This was his only test. His twin brother, Vernon Nagel, also played for BUCC and played 4 matches for Victoria.

CRAIG WHITE (all rounder RH bat, RA medium fast & off break bowler):

Craig began playing with BUCC'S in 1980 with the Primary B Team and progressed through the juniors to 1st X1. He represented Victorian at U 17 and U 19 level, and won selection in the Australian U21 team. He then moved to Hawthorn-East Melbourne in the VCA and Victorian Sheffield Shield team before leaving to play for Yorkshire, his birthplace. Craig made his debut with the English Test Team V New Zealand and South Africa in 1994. His performances won him a place in the English Touring Team to play Australian during 1994/95. He made his first Test century against India in India in 2001. Craig played 30 Tests and 51 one day internationals for England. At Test level he scored one century and five half centuries, and three times he took 5 wickets in an innings. In 276 first class matches he made 21 centuries scoring over 12000 runs, and he took 395 wickets. He retired from first class cricket in 2007.

Significance of Harry Trott

Harry Trott was a man of vision, and in 1903 he called a meeting of cricket-minded people with a view to forming a Bendigo Cricket Association with defined Boundaries. Trott proposed that teams should be drawn from within an area of 15 miles radius of the Bendigo fountain in Charing Cross. The Bendigo District Cricket Association was subsequently formed at a public meeting later in 1903. Trott was a member of the General Committee and an association selector. At the BDCA's second annual meeting on Tuesday, October 11, 1904, Mr Harry Trott was elected President. The meeting held at the City Club Hotel, sought to strengthen the struggling association. Mr Trott was also appointed sole selector.

Following his elevation to the position of BDCA president, Harry Trott proposed that all Bendigo cricketers should belong to just one club – Bendigo United. Trott envisaged Bendigo United becoming a multi-purpose sporting club, initially providing playing facilities for cricket, tennis, bowls and football. As membership grew, he believed swimming baths could also be erected. Trott calculated that five hundred members each paying an annual subscription of one guinea would pay for the proposed sporting facilities. The subscriptions were also to cover the cost of extending the Back Creek ground by 50 yards allowing two games to be played simultaneously on first-class turf wickets maintained by a first-class curator.

The cricket competition proposed under Trott's radical scheme revolved around Bendigo being divided into four districts – North, South, East and West – with players tied to the district in which they lived. District teams were to be organised into graded competitions – first second and third grades, going down as far as under 16 schoolboys. Trott suggested the first grade play on turf and the lower grades on matting until more turf wickets could be established.

Although Trott's scheme was never adopted, his foresight is beyond question. He remained playing for Bendigo United until 1909, during that time he amassed 1975 runs for the club at an average of

44.8 and took 109 wickets at an average of 14.5. In 1904 while still playing for BUCC's he captained Victoria against an English X1. In his last big match for his State against another English side in 1908 at the age of 41 he took 5 for 116.

As noted earlier, around 1861 the club made an application to the government of the day for a grant of 6 acres of land at 'Back Creek', which was subsequently granted. The reserve is still the home of BUCC, and in honor of Harry Trott the ground was renamed the 'Harry Trott Oval' in 1991.

ON FIELD SUCCESS

BUCCs was a force in Bendigo District Cricket prior to the 2nd world war, winning many 1st XI Premierships. The 62 years between 1937/38 and 1999/2000 did not herald a premiership for BUCCs, however in 1999/2000 the drought was over with BUCCs beating Bendigo in March 2000 to secure the 1st XI premiership. The Club has since won four 1st XI premierships.

LEON GROSE

Leon Grose played 144 games for BUCC between 1969 and 1983, making 4909 runs at 36.3 and taking 316 wickets at 13.34. To this day, Leon has the fourth highest batting aggregate for BUCCs, and has taken the fifth most wickets.

An elegant left handed batsmen and right arm leg spin bowler, Leon is regarded as one of the great all rounders in BUCCs history, featuring in the Club's Team of the Century selected in 1999 / 2000, winning the George Mackay Trophy as Club Champion five times and securing numerous club bowling and batting awards.

Off the field, Leon served as Club President and was a winner of the Norm Jackson Trophy for Best Clubman in 1979/80.

At a league level, Leon is an inductee of the BDCA Hall of Fame, and a BDCA Life Member. Such was Leon's contribution to cricket in Bendigo that the BDCA now awards its first XI champion player with the "Leon Grose Trophy".

Leon is a Life Member for his service to the Club and now takes his rightful place alongside team mates Ken Smalley and Neil Rasmussen in the BUCCs Hall of Fame.

ROSS FREEMAN

Ross Freeman played 184 1st XI games for BUCCs between 1914 and 1940, one of only nine BUCCs players to play greater than 150 1st XI games for the Club. Ross remains fourth on the all time games record list.

Ross remains the third highest run scorer in BUCCs history with 5130, with four centuries and 25 half centuries. His highest score of 192 is considered the fourth highest for BUCCs behind Heath Behrens' three double centuries. Ross is also a BUCCs 1st XI premiership player.

A more than useful bowler, Ross took 5 wickets in an innings for BUCCs on four occasions, with best figures of 7/36. Testament to his skill, Ross is also credited with over 100 catches and 5 stumpings.

Ross is a member of the BUCCs Team of the Century from 1999 / 2000, and in 2012 Ross was inducted into the BDCA Hall of Fame. Along with team mate Ron Hunt, Ross is now a member of the BUCCs Hall of Fame.
